Shoes, unusable	Blue-lidded bin	
Shoes, usable	Other	Donate to charity shop
Shower screens, glass reinforced	Other	Free disposal at Heathfield Resource Recovery Centre
Shredded paper in paper bag or cereal box	Yellow-lidded bin	Paper is recyclable and should go in the recycling bin, but once it's been shredded it can cause problems for machinery at the recycling depot. Small amounts of shredded paper can go in the green organics bin, along with your garden and food waste that goes to commercial composting facilities. Shredded paper is very useful in creating composts and mulches, so where possible place it in the green organics bin. Otherwise, you can put the shredded paper in a large paper bag, old envelope or cardboard box, so it is contained and will not clog the recycling machinery, and then put it into the recycling (yellow-lidded) bin.
Skirting boards	Other	Heathfield Resource Recovery Centre (fee applies)
Small branches	Green-lidded bin	
Smoke alarm (one only)	Blue-lidded bin	Only one per pick up
