

KERBSIDE WASTE

COMMERCIAL PROPERTY

GREEN ORGANIC SERVICE REQUEST FORM

It is not Council’s responsibility to collect waste generated by activities of industrial or commercial businesses. Commercial or Industrial businesses may access the fortnightly 240L green organics service if they are within the designated collection service area and can demonstrate that the requirement for the green organic bin is for domestic purposes only.

Date	
Property address	
Applicant name	
Type of bin request	Green organic bin for domestic use
Phone number
