INTERNAL AUDIT POLICY

1. INTRODUCTION

- 1.1 Internal controls are essential to assist the Council to carry out its activities in an efficient and orderly manner to achieve its objectives, to ensure adherence to legislation and council policies, to safeguard the Council's assets, and to secure the accuracy and reliability of council records
- 1.2 This policy includes a definition of internal audit as it applies to the Council, a set of internal audit principles and states the responsibilities for Council Members, the Audit Committee, the Leadership team and the Governance & Risk Unit.
- 1.3 The policy should be read in conjunction with the Internal Audit Manual.

2. POLICY STATEMENT

- 2.1 The Council is committed to maintaining a robust and integrated Governance Framework that assures stakeholders that it is pursuing its objectives and fulfilling its responsibilities with due diligence and accountability.
- 2.2 A fundamental component of this Framework is the operation of an objective assurance function that evaluates the adequacy and effectiveness of the systems of internal control within the Council.
- 2.3 The purpose of this policy is, through the establishment of an internal audit function, to support better decision-making through a good understanding of the adequacy and effectiveness of the systems of internal controls to mitigate Council's risks.

3. DEFINITION OF INTERNAL AUDIT

- 3.1 Internal auditing is an independent, objective assurance and consulting activity designed to add value and improve the Council's operations. It helps the Council accomplish objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes.
- 3.2 The Executive Manager Governance & Risk (EMGR) is responsible for the management of the internal audit function within Council. Internal audits are to be conducted by suitably qualified and experienced personnel and may be insourced, cosourced or outsourced.

4. POLICY PRINCIPLES

4.1 The principles of the Council's approach to internal audit are:

4.2 Independence

4.2.1 Independence is essential to the effectiveness of the internal audit function.

4.2.2 The internal audit function has no direct authority or responsibility for the activities it reviews. The internal audit function has no responsibility for developing or implementing procedures or systems and does not prepare records or engage in original line processing functions or activities (except as noted below). The work of internal audit does not in any way relieve managers of their responsibilities for the development, implementation and maintenance of management control systems in their areas.

4.2.3 The EMGR is responsible, on a day to day basis, for the internal audit function of Council. In achieving operational independence of the internal audit function the CEO has ensured that the EMGR has dual reporting lines.

4.2.4 These reporting lines require that the EMGR must:

- report administratively to the CEO to facilitate day to day operations of the internal audit function and
- report to the Audit Committee for strategic direction and accountability of the internal audit function.

4.2.5 The EMGR has direct access to the Mayor, the Presiding Member of the Audit Committee and the CEO. Periodic 'in camera' meetings may be held between the EMGR and the Audit Committee.

4.2.6 Where the EMGR has responsibility for an activity that is scheduled for review, the Audit Committee will ensure that the internal audit assignment will be managed by another employee within Council and the independence of the function is not compromised.

4.3 Authority and Confidentiality

4.3.1 Subject to compliance with Council's security policies, internal auditors are authorised to have full, free and unrestricted access to all functions, premises, assets, personnel, records, and other documentation or information that the EMGR or the CEO considers necessary to enable the internal auditors to undertake the audit assignment.

4.3.2 All records, documentation and information accessed in the course of undertaking internal audit activities are to be used solely for the conduct of these activities. The EMGR is responsible and accountable for maintaining the confidentiality of the information the internal auditors receive during the course of their fieldwork.

4.3.3 Where necessary, EMGR may consult with and disclose audit matters to other local government entities, normally this will only occur where these matters affect other entities, or as directed by the Audit Committee or the CEO.

4.4 Standards

4.4.1 Internal audit activities will be conducted in accordance with intent of relevant professional standards deemed appropriate and applicable including:

- International Professional Practices Framework issued by the Institute of Internal Auditors
- Standards relevant to internal audit issued by the Australian Society of Certified Practising Accountants and the Institute of Chartered Accountants in Australia
- The Statement on Information Systems Auditing Standards issued by the Information Systems and Control Association, and
- Standards issued by Standards Australian and the International Standards Organisation.

4.4.2 In the conduct of internal audit work, internal auditors will:

- comply with relevant professional standards of conduct
- possess the knowledge, skills and technical proficiency relevant to the performance of their duties
- be skilled in dealing with people and communicating audit, risk management and related issues effectively and
- exercise due professional care in performing their duties.

4.5 No Surprises

4.5.1 Council's approach to internal audit is that there should be 'no-surprises' at the conclusion of the audit assignment. To this end, on-going discussions will be held with management as findings emerge and conclusions are developed. At the mid point of the audit, a formal meeting may be sought with the audit sponsor to discuss the audit and any emerging issues. If necessary, EMGR will communicate significant matters of concern to the CEO and/or the Audit Committee prior to the completion of the final report.
