To the resident

The Santos Tour Down Under is returning to Lobethal in 2019 and we are excited to be partnering once more with the Lobethal community in hosting the Subaru Stage 3 start on Thursday 17 January.

Commencing at the historic start line of Lobethal's Grand Prix, riders will sprint through Charleston, loop back down Lobethal's Main St and shoot off to tackle the King of the Mountain challenge on Fox Creek Rd. Lobethal will be filled with colour, music and community spirit. Join us on Main St from 9:30am to see the Tour Parade arrive, watch the riders ready themselves and feel the excitement build - there is no better time to get up close and experience this world-renowned action.

To enable the event to run smoothly and safely, a number of parking and traffic restrictions will be implemented on the day. Enclosed are the details of the race route and restrictions in the Lobethal area. Please familiarise yourself with these restrictions and plan your day accordingly. If you are planning to leave during this time please consider parking your car outside of the closure zone the night before. Outside of these restrictions, South Australia Police will manage traffic using 'rolling road closures' and access for emergency services will remain at all times.

We appreciate your understanding while the Adelaide Hills hosts this international event.
