Go left and follow the path over the Southeastern Freeway (M1) and continue along the SUMMIT ROAD path to WAVERLEY RIDGE ROAD. Go left and follow the path (which veers left about 100 meters from Summit Road and winds close to the fence-line) to arrive at HAWTHORN ROAD (by Turner Crescent). Go right then follow the path on the left down the hill to ROSTREVOR ROAD (on the right) Follow this road to the steps on the left which take you down into the pretty LENTON LANE. Follow the road to BIRCH ROAD, go right to the next T junction (LAUREL ROAD), and go right to AVENUE ROAD. Turn right and follow the path until it veers off to the right just before the railway bridge. At this veer off point, cross the road and proceed to the green marker (near the bridge), take the steps down to the 'hidden' walkway then follow to the tennis courts. Continue up STONEHENGE AVENUE to MILAN TERRACE by the hospital. Cross over the road and follow the eastern side path to the STIRLING MAIN STREET then go right and cross the road via the pedestrian crossing. On the other side of the road, go left and follow the path to PAMONA ROAD. Cross over and follow the path under the M1 bridge to arrive at GLENSIDE ROAD. Follow this road up the hill to a white fence then follow the walkway (on the left, indicated by a green marker). At the end of this walkway you will be on THE CRESCENT and facing a long steady climb up to another road by an old stone house on the left – at this house, veer right and proceed to the 'Y' branch near PICCADILLY ROAD. On the left branch, follow the track then the path to Crafers.
