18. CONFIDENTIAL ITEMS

18.1. RLMAG Grazing Broadacre Representative – Exclusion of the Public

**Moved Cr Ian Bailey
S/- Cr Jan Loveday**

Pursuant to section 90(2) of the *Local Government Act 1999* the Council orders that all members of the public, except:

- A/CEO, Tim Piper
- Director Strategy & Development, Marc Salver
- Director Community & Customer Service, David Waters
- Manager Governance & Risk, Lachlan Miller
- Minute Secretary, Pam Williams

be excluded from attendance at the meeting for Agenda Item 17.1: Appointment of a Grazing/Broadacre Representative to the Rural Land Management Advisory Group (RLMAG).

The Council is satisfied that, pursuant to section 90(3)(a) of the Act, the information to be received, discussed or considered in relation to the Agenda Item is information the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead), because it would disclose the personal details of candidates who have expressed an interest to be on the Advisory Group.

The Council is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in the circumstances because consideration of the item in a public forum would unreasonably disclose the personal details of candidates who have expressed an interest to be on the Advisory Group.

**18.2. Adelaide Hills Region Waste Management Authority – Exclusion of the Public
Marc Salver**

**Moved Cr Linda Green
S/- Cr Ian Bailey**

Pursuant to section 90(2) of the *Local Government Act 1999* the Council orders that all members of the public, except:

- A/CEO, Tim Piper
- Director Strategy & Development, Marc Salver
- Director Community & Customer Service, David Waters
- Manager Governance & Risk, Lachlan Miller
- Minute Secretary, Pam Williams

be excluded from attendance at the meeting for Agenda Item 17.2 Adelaide Hills Region Waste Management Authority (AHRWMA) update and consideration of Options.

The Council is satisfied that, pursuant to sections 90(3)(b), (d) and (i), the information to be received, discussed or considered in relation to the Agenda Item is:

- (b) information the disclosure of which —
 - (i) could reasonably be expected to confer a commercial advantage on a person with whom the Authority is conducting, or proposing to conduct, business, or to prejudice the commercial position of the Authority; and
 - (ii) would, on balance, be contrary to the public interest;
- (d) commercial information of a confidential nature (not being a trade secret) the disclosure of which—

**ADELAIDE HILLS COUNCIL

- (i) could reasonably be expected to prejudice the commercial position of the person who supplied the information, or to confer a commercial advantage on a third party; and
 - (ii) would, on balance, be contrary to the public interest;
- (i) Information relating to actual litigation, or litigation that the council or council committee believes on reasonable grounds will take place, involving the council or an employee of the council; -

because the Council is to consider an offer from a competitor with regard to where to take its waste stream, and to consider the long term implications and options in relation to the Regional Waste Management Authority of which it is a member, and due to the fact that the competitor has initiated legal proceedings against the aforementioned Authority.

In addition the disclosure of this information would, on balance, be contrary to the public interest. The public interest in public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The Council is satisfied that the principle that the meeting be conducted in a place open to the public has been outweighed in the circumstances because consideration of the item in a public forum would disclose the details of the commercial offer and legal action which may prejudice the Regional Waste Management Authority's case.
