The Council is satisfied that it is necessary that the public, with the exception of Council staff in attendance as specified above, be excluded to enable Council to consider the report at the meeting on the following grounds:

- **Section 90(3)(a) of the *Local Government Act 1999*, the information to be received, discussed or considered in relation to this Agenda Item is information the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of a person;**
- **Section 90(3)(h) of the *Local Government Act 1999*, the information to be received, discussed or considered in relation to this Agenda Item is information the disclosure of which would waive privilege to legal advice received by the Council; and**
- **Section 90(3)(i) of the *Local Government Act 1999*, the information to be received, discussed or considered in relation to this Agenda Item is information relating to actual litigation, or litigation that the council believes on reasonable grounds will take place, involving the council.**

Accordingly, on this basis the principle that meetings of the Council should be conducted in a place open to the public has been outweighed by the need to keep the information and discussion confidential.
