LEARN NEW SKILLS. MEET NEW PEOPLE. BE INSPIRED

Thank you for your interest in our 2023 Youth Leadership Program

We are very excited to be able to offer the 2023 Youth Leadership Program to young people in the Adelaide Hills.

The program offers a unique opportunity to develop transferrable professional and leadership skills, enhance your civic awareness, participate in decision making, and make new friends in a welcoming and inclusive environment.

Building on the ongoing success of our program, we have made some changes to the program, reflecting feedback from previous participants. You will meet some of the previous participants during the program, so you can ask them about their experience.

In this document you will find a program overview including workshop dates, and an application form which includes parental consent, some personal details, and some general questions to help us with future youth development programming.

Please complete and return your form by Monday 27 March 2023 if you would like to pursue a place in this fourth year of the YLP.

Attention: Mark de Lange

Successful completion of the program requires commitment from participants to attend the majority of the program elements. This commitment ensures eligibility to receive a certificate of completion as well as being fair to everyone involved in the program.

Thank you again for your interest, and we hope to hear back from you soon.

If you have any questions, please contact Mark at the aforementioned email, or on 0439 833 121
